

## **COVID-19 NOTIFICATION**

**January 11, 2021**

**Number of additional confirmed COVID-19 cases in the last 24 hours: 2**

Please continue to check our website for additional updates and information on what we are doing to help prevent further spread of COVID-19 in our facility.

If you have any questions or concerns about this notification, please contact us directly at 301-665-8700.

## WEEKLY UPDATE

1/14/2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 77 residents and 43 staff members test positive for COVID-19. Our residents are continually monitored for any signs or symptoms of COVID-19 every shift while adhering to all CDC guidelines with regard to our staffing practices.

Our staff is looking forward to our 2<sup>nd</sup> vaccination clinic on Monday, January 18<sup>th</sup>, where many of our staff will receive their 2<sup>nd</sup> dose of the COVID-19 vaccine and several others plan to receive their first dose of the vaccine. This is a big step toward protecting our residents and other staff members in the battle with COVID-19 and another example of our staff going above and beyond the call of duty. With that sentiment in mind, our facility has begun the HERO Recognition Program. Attached you will find a nomination form where you are able to nominate an employee or group of employees as our monthly HERO. Please complete and return to the form to nominate someone who has exemplified outstanding care, demonstrated leadership, and has shown a commitment toward protecting our residents.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 301-665-8700.

Sincerely,

*Jared Zampelli*

## WEEKLY UPDATE

1/21/2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 77 residents and 43 staff members test positive for COVID-19. Our residents are continually monitored for any signs or symptoms of COVID-19 every shift while adhering to all CDC guidelines with regard to our staffing practices.

We are excited to announce that many of our staff and residents received their 2<sup>nd</sup> dose of the COVID-19 vaccine this past Monday, January 18<sup>th</sup>, while numerous others received their 1<sup>st</sup> dose of the vaccine. As mentioned in previous updates, the COVID-19 vaccine is the greatest tool at our disposal to fend off this brutal virus. This continues to be a big step toward protecting our residents and staff moving forward.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 301-665-8700.

Sincerely,

*Jared Zampelli*

**WEEKLY UPDATE**

**1/28/2021**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 77 residents and 43 staff members test positive for COVID-19. Our residents are continually monitored for any signs or symptoms of COVID-19 every shift while adhering to all CDC guidelines with regard to our staffing practices.

As the new Administrator of Julia Manor, it is unfortunate that I am not able to meet all of the resident's family and friends as that is truly one of my favorite parts of the position. Building a rapport with our resident's loved ones and developing a trusting bond is one of our main goals at Julia Manor. In an effort to develop these relationships, we will be offering a drive thru "Meet & Greet" next Wednesday, February 3<sup>rd</sup>, from 3:00 PM to 6:00 PM. I encourage all of our resident's loved ones to swing through as I would appreciate the opportunity to converse and meet with every one of you in a socially distanced manner. Seeing as this will be held during traditional dinner hours, we are offering a "Take & Bake" pizza per family to take home with them and enjoy after the "Meet & Greet".

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 301-665-8700.

Sincerely,

*Jared Zampelli*

## **COVID-19 NOTIFICATION**

**January 5, 2021**

**Number of additional confirmed COVID-19 cases in the last 24 hours: 1**

Please continue to check our website for additional updates and information on what we are doing to help prevent further spread of COVID-19 in our facility.

If you have any questions or concerns about this notification, please contact us directly at 301-665-8700.

## WEEKLY UPDATE

1/8/2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 77 residents and 42 staff members test positive for COVID-19. Our residents are continually monitored for any signs or symptoms of COVID-19 every shift while adhering to all CDC guidelines with regard to our staffing practices.

We are excited to announce that we participated in our first COVID-19 vaccination clinic on December 28<sup>th</sup>, 2020. On that date, a great number of our staff and residents received their first dose of the vaccine with the 2<sup>nd</sup> dose set to be administered on our 2<sup>nd</sup> vaccination clinic on January 18<sup>th</sup>, 2021. This is a tremendous step in our ongoing battle with COVID-19.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 301-665-8700.

Sincerely,

*Jared Zampelli*
