**WEEKLY UPDATE AND NOTIFICATION OF NEW CASES**

**November 13, 2020**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility and notification that we received confirmation today that 5 residents tested positive for COVID-19, which brings our total number of cases since the onset of this virus to 22 residents and 11 staff members. All positive residents are isolated to our COVID-19 Unit and monitored while the rest of the residents that are not positive will be continually monitored for any signs and symptoms. All staff testing positive for COVID-19, along with any staff members with signs and symptoms, are out of the facility per the CDC guidelines. The facility conducted a mass testing the week of November 9th for all staff members and residents and will conduct testing again for both residents and staff members the week of November 16<sup>th</sup>.

Although we are not able to offer face to face visits at this time due to the positive staff and resident cases we will continue to offer Facetime visits for our residents and assist them with calling families as requested. We will resume in person visits as soon as clearance is received from our local Health Department. Our facility is doing everything we can to assure the safety of your loved one and appreciate your understanding and support during this time.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 301-665-8700.

Sincerely,

*Chad Breach*

## *Thanksgiving Update*

*November 26, 2020*

Dear Residents/Families/Friends,

As Thanksgiving quickly approaches this week, we want to take a moment to thank you for your continued support throughout this pandemic. Our facility has faced unprecedented challenges over the last eight months and we appreciate your patience and understanding as we do our best to ensure your loved ones remain safe.

We are extremely grateful that you have entrusted your loved ones to our care and we are making every effort to provide our residents with a wonderful Thanksgiving. And while the recent rise in COVID-19 cases all over the country has affected how we all are celebrating this holiday, our facility will be having a traditional Thanksgiving meal and an interactive isolation scavenger hunt for residents.

Also, as a reminder, visitations for the holiday are as follows:

There will be no in-person visitation, however virtual visits are available through the day on Wednesday and Friday. Please call Tammy King for 2<sup>nd</sup> floor or Laura Zahos for 3<sup>rd</sup> floor to reserve your time.

As a reminder, our total number of cases to date are as follows: 29 residents and 14 staff members have tested positive for COVID-19. Our regular weekly updates will resume next week and we will continue to update you on our website if we receive notifications of new confirmed cases of COVID-19. As always, if you have any questions or concerns please don't hesitate to contact us directly.

On behalf of the entire staff at Julia Manor, I wish you a happy and safe Thanksgiving.

Sincerely,

*Chad Breach*
