WEEKLY UPDATE AND NOTIFICATION NEW CASES

December 10, 2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility and notification that we received confirmation today that 2 residents and 1 staff member tested positive for COVID-19, which brings our total number of cases since the onset of this virus to 70 residents and 24 staff members. All positive residents are isolated to our COVID-19 Unit and monitored while the rest of the residents that are not positive will be continually monitored for any signs and symptoms. All staff testing positive for COVID-19, along with any staff members with signs and symptoms, are out of the facility per the CDC guidelines. The facility conducted a mass testing the week of December 7th for all staff members and residents and will conduct testing again for both residents and staff members the week of December 14th.

Although we are not able to offer face to face visits at this time due to the positive staff and resident cases we will continue to offer Facetime visits for our residents and assist them with calling families as requested. We will resume in person visits as soon as clearance is received from our local Health Department. Our facility is doing everything we can to assure the safety of your loved one and appreciate your understanding and support during this time.

As you have probably heard, the CDC recently announced that healthcare workers and long-term care residents should be among the first group of people to receive the vaccine for COVID-19. We are optimistic this will help stop the spread of this virus in our community. Consents for the vaccines are currently available and while we do not have the exact dates that the vaccines will be administered, we will let you know as soon as that information is available. In the meantime, please continue to do your part in limiting the transmission of COVID-19 by wearing masks, washing your hands and keeping a safe distance from others.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 301-665-8700.

Sincerely,

Chad Breach

Christmas Holiday Update

Dear Residents/Families/Friends,

With Christmas and New Year's Eve around the corner, we would like to send you and your loved ones the warmest of holiday wishes. We know how difficult it is to celebrate this time of year without the same traditions we have all grown accustomed to, but with the COVID-19 vaccine becoming a reality in the very near future, we are more hopeful than ever that 2021 will bring happier and safer times for everyone.

As always, we are extremely grateful that you have entrusted your loved ones to our care and we are making every effort to provide our residents with wonderful holidays.

Although we are not able to offer face to face visits at this time due to the positive staff and resident cases we will continue to offer Facetime visits for our residents and assist them with calling families as requested. We will resume in person visits as soon as clearance is received from our local Health Department. Our facility is doing everything we can to assure the safety of your loved one and appreciate your understanding and support during this time.

As a reminder, our cumulative number of cases to date are as follows: 77 residents and 38 staff members have tested positive for COVID-19. Our regular weekly updates will resume next week and we will continue to update you on our website if we receive notifications of new confirmed cases of COVID-19. As always, if you have any questions or concerns please don't hesitate to contact us directly.

On behalf of the entire staff at Julia Manor Nursing and Rehabilitation Center, I wish you a happy and safe Christmas.

Sincerely,

Chad Breach

WEEKLY UPDATE

December 30, 2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility, the total number of cases since the onset of this virus is 77 residents and 40 staff members. Residents will be continually monitored for any signs and symptoms. All staff testing positive for COVID-19, along with any staff members that develop signs and symptoms, are out of the facility per the CDC guidelines. The facility conducted a mass testing the week of December 27th for staff members and residents, another mass testing will occur again for both residents and staff members the week of January 3rd.

Although we are not able to offer face to face visits at this time due to the positive staff cases we will continue to offer Facetime visits for our residents and assist them with calling families as requested. We will resume in person visits as soon as clearance is received from our local Health Department. Our facility is doing everything we can to assure the safety of your loved one and appreciate your understanding and support during this time.
